

Americar and the Central New York Community

For almost 45 years, Americar has supported all things “local” in their Central New York community. A division of RAC Holding, Inc., Americar is the only locally owned and operated Transportation Logistics Company in the area. Founded in 1967 by Pat Tucci, Americar began as a gas station renting two vehicles from its Eastwood location. Today, that little gas station has evolved into a multi-faceted company that not only rents vehicles through their Dollar and Thrifty brands, but also provides new and used car leasing by providing vehicles for both personal and business fleet use. If looking for a quality “like new” used car, Americar has a wide assortment of vehicles for sale which includes their “one of a kind” 100,000 mile warranty. Recently Americar added Airport Valet parking with free shuttle service to and from Hancock airport 7 days a week, as well as opening to the public Americar’s ASE certified service facility offering competitive prices for the maintenance and repairs of personal owned vehicles. The key to Americar’s long-term success is in knowing what the community’s transportation needs are, and creating affordable solutions in a one stop shop. Americar is located at 5400 South Bay Road, North Syracuse, and details on all of Americar’s services can be found on their website www.americarsyr.com as well as Facebook.

Americar “Gives back”

Kris Tucci and his family believe in “giving back” to the many businesses and organizations that serve their Central New York neighborhoods. Recently Americar donated a 2012 Ford Mustang to the Onondaga Chapter of NYSARC, Inc. to raffle off at their 60th Anniversary fund raising gala at the Turning Stone Casino on June 24, 2011. In addition to this Americar will also be hosting a Classic car show on July 13, 2011 benefiting the “Make A Wish Central New York Chapter”.

Come show your support by attending Americar’s first annual Classic Car show on Wednesday, July 13, 2011 from 4:00 pm to 9:00 pm. In lieu of charging an “entrance fee” for car show participants, Americar is accepting donations at the gate in which proceeds raised will be donated to the local “Make A Wish” chapter in memory of Americar’s founder Pat Tucci. More information on the “Make A Wish Central New York Chapter” can be found on their website at www.cny.wish.org.

Americar’s first annual Classic Car show will be paying a \$1000.00 cash prize for “Best in Show”, \$250.00 cash prize for “People’s Choice” and \$100.00 Cash prize for “Best Engine”. Dinosaur Bar-B-Que will be on the premises selling their world famous barbeque, and the Sammy award winning Americana/ Country Alt Band “Reckless Drivin’” will be performing during the festivities. Bring your classic car, or just come show your support for Americar’s 1st annual car show benefitting the “Make A Wish Central New York Chapter”. And while you’re out there enjoying the cars, food and entertainment, be sure to check out all the services Americar has to offer and how they can save you money on all your transportation and travel needs.
