

## Details and Rules for 1<sup>st</sup> Annual Classic Car Show

Vehicles must be **25 years or older to compete for the prize money** (Model year 1986 or older). Newer classic or collectible vehicles built in 1987 or later are welcome to the show but will not be judged.

**A donation to benefit the “Make A Wish Central New York Chapter” will be taken at the designated show entrances for both judged and non-judged vehicles.** For vehicles that are 25 years older, a registration form and number will be handed out, and an Americar lot attendant will direct you to an assigned parking space. Registration forms must be completed by those who are competing for any of the three prizes, and put on the windshield of the vehicle for when the judges make their rounds.

**CLASS DETERMINATION:** Vehicles shall be judged by taking into consideration three main categories: **Stock, Modified, and Restified/Clone Classes.** Please list the car class category on the registration form that best describes your vehicle entry (see car class descriptions below). Listing your car in the correct class will help our judges in making the difficult decision on who will be awarded Americar’s cash prizes for **“Best in Show” (\$1000.00)** and **“Best Engine” (\$100.00).**

\*Participants are to select only one class per registration form.\*

**STOCK:** This class is for original appearing vehicles, whether they are original from the factory or have been restored to look original. Vehicles must appear as they were delivered to the dealership as a new vehicle with original looking interiors and exterior paint colors that are consistent with the factory options that were available for that year, make, and model. The car must be consistent with the factory build sheet. Matching numbers are not a must. Vehicle may have up to two modifications, such as tire, wheels, stereo, and so on, to remain in the stock class, but in case of a tie, they will be counted. (Note: clone vehicles will be marked down and points deducted from the judging sheet if entered in the stock class and not the restified/ clone class listed below.)

**RESTIFIED/ CLONE:** This class is for stock-appearing cars that have minor changes and modifications that enhance the total appearance and desirability of the vehicle. Engine swaps, color changes, upgraded radios, ignition, headers, intake, brakes, engine modifications while still maintaining a stock appearance are all acceptable in this class. Clone vehicles should also be included in this class.

**MODIFIED:** This class is for owners who like to individualize their vehicles. The more the vehicle is modified, the better. Vehicle will be judged on the quality of the modifications. The overall package is what matters and how well everything is tied together. Please list the modifications you have done on your vehicle and leave that list on the seat of your car for the judges to see, as the judges should be made aware of the time and effort you have spent on your car. Custom paint, tires, wheels, headers, engine swaps, and so on are welcome in this class.

Please note, Americar assumes no responsibility or liability for any and all damages that may occur to participating and non-participating vehicles attending the July 13, 2011 Classic Car show event.

## JUDGING INFORMATION

### JUDGING

Judging will begin at 4:15 pm sharp. Please have your vehicle parked with both the assigned vehicle number and completed registration sheet on the windshield, ready for the judge's arrival.

### JUDGES

Our judging staff is made up of a group of highly skilled enthusiasts who have extensive knowledge and experience in the automotive and restoration field. Many of our judges have built and restored classic and antique cars and either own or operate businesses pertaining to the automotive industry.

**Car Show Judge Identification:** Our Judging staff will be wearing special "Americar" shirts so you will be able to recognize them.

## PEOPLE'S CHOICE AWARD

For registered participants who want to display their vehicles and have an opportunity to **win a \$250.00 cash prize based on the opinion of the public voters rather than the car judging staff**, here's your chance! Car fans will vote on their favorite car by writing the registration number listed on each vehicle on a ballot and dropping it in the "people's choice" ballot box. Both the ballots and ballot box will be located by the Americar stage. Show your love by giving one lucky classic car owner "bragging rights", along with the \$250.00 cash prize!

Americar is interested in what you have to say about our event. Please send your ideas, comments and suggestions on how to make our next classic car show a success to [corporatesales@americarsyr.com](mailto:corporatesales@americarsyr.com)

## 1<sup>st</sup> ANNUAL CLASSIC CAR SHOW SCHEDULE:

Americar's 1<sup>st</sup> annual classic car show will be held at their facilities located at 5400 South Bay Road, North Syracuse on Wednesday, July 13, 2011. The show starts at 4:00 pm and will run until 9:00 pm.

Spacing may become limited, so show parking will be "first come, first serve". For those "early birds" that want to guarantee themselves a prime parking spot, Americar will allow show vehicles to enter their lot after 1:00 pm, not before.

Judges will start making their rounds between 4:15 pm and 8:00 pm. Registration sheets must be completed and put on the vehicle's windshield prior to the judge's arrival. Judges will use a standard checklist based on the class category as listed by you on the vehicle's registration sheet. Each vehicle judged will be marked to ensure that all entries have been looked at and considered for the "Best in Show" and "Best Engine" cash prizes.

**Awarding of Cash Prizes:** Winners of our three cash prizes will be announced from the Americar Entertainment stage between 8:30 pm and 9:00 pm. **Winners must be present to win and will be awarded their cash prizes upon announcement.** If the winning vehicle leaves the show before 9:00 pm, the prize will go to the runner up, as prizes will not be awarded after the event.
